The Ministry of Health received your request for access to information under FOIPPA on February 15, 2019. We understand your request to be for:

Records regarding marketing of cannabis in British Columbia, including but not limited to briefing notes, excluding emails and cabinet confidences. (Date Range for Record Search: From 10/17/2018 To 02/14/2019)

FOIPPA allows 30 business days for public bodies to respond unless the nature of the request requires an extension per section 10 of FOIPPA. We will make every effort to respond to your request by **April 1, 2019**. We will notify you as soon as possible if there is a need to extend the time limit for responding to your request.

Please note that this is an acknowledgement of your request and that an assessment of potential fees specific to your request has not been made at this time. FOIPPA allows that we may charge a fee for certain limited costs of providing you with the requested information, such as locating, retrieving and copying a large volume of records. In the event that there is a fee associated with your request, you will be contacted at a later date with a fee estimate.

Please also be advised that the response to your request (subject to limited exemptions) will be published on the BC Government's Open Information website after its release to you.
